who first aroused my interest in genealogy, and of whom the Madison College "Schoolma'am" wrote in 1945:

"Fifty-five years--a span of life not long, but crowded with interests and activities, even after failing health had laid its hand upon him, Mr. Chappelear's cup seemed full to the brim all his days: In the college laboratories and classrooms, head of the biology department for more than a quarter of a century; on the campus, superintendent of buildings and grounds, planting trees and shrubs; in the town, a civic leader and a man whose understanding heart taught him to be a true neighbor; in his profession, a strong advocate for the advancement of science in our state and nation; in the field of genealogical research, an untiring student and writer; in his rambles through the woods and mountains, an eager explorer who cared about all wild life; in his church, a helper to be counted on, ready to serve as vestryman or to take the lowiliest, most inconspicious tasks."

INTRODUCTION

First I would like to express my appreciation to all the members of the family, whose assistance was so helpful in the compiliation of this genealogy. There were so many of you, particularly Mary Chappelear Evans, Ferne Chappelear Brewer, Helen Vickroy Vandegriff, Mr. & Mrs. Thornton Chappelear, John Willis Chappelear, Mr. & Mrs. Festus A. Chappelear, & Lillian Chappelear Blabchard.

This genealogy is written with each generation forming a chapter. I have given every descendant an individual number. At the end of the book there will be a generation chart of your line for you to complete, as I have already carried it down to our common ancestor, Isaac Chapelier, jr., the emigrant. I suggest that you look for your name in the index and work back to Isaac from that. Your parent's number will follow his or her name in your writeup. By going back to his or her number in the preceding generation, you will find his parent's number & back to Isaac. In many instances, particularly in the Maryland and Ga. branches, you have more than one Chappelear ancestor.

For the sake of brevity, I have used abbreviations for names and references. The reference abbreviations are as follows:

All the Chappelears in America are of French Huguenot descent. The background of this family is part of the story of the Reformation. The great movement of Wycliff, Huss, Luther and Calvin was destined to embrace France. From 1560, when the French Lutherans were accustomed to meet at the gate of Hugo in Tours, and a Catholic priest referred to them in a sermon as Huguenots the name stuck. The Reformation began in France with the translation of the New Testament by Faber in 1523; two years later martyrs were burned at stake. By 1535 the movement had spread to such an extent that an Edict was issued by Francis I ordering the extermination of heretics, and it from this date that the emigration of the Huguenots began. The emigrees went first to Germany and Switzerland, then the tide of emigration turned towards England, Holland and America. While persecution continued new churches sprang up everywhere, even in Paris. The Protestants realized they must unite in measures of defence and retaliation. In 1559 the Synod of Paris was organized and the church began its great period of growth. Many thousands of Catholics united with the movement, which included many of the noble houses, such as that of Coligny, Hornay and Palissy.

The Edict of Remorantin was issued against the Huguenots in 1560, and the whole issue became political as well as religious, with the Guises leading the Catholic party and Coligny as head of the Huguenots. Catherine de Medici was regent for Charles IX. Pope Pius V demanded the extermination of the heretics; so Catherine issued the Edict of 1568, which made all Huguenots outlaws. This was successfully combated by Coligny through force of arms, which culminated in the peace of St. Germain in 1570. This peace was of short duration. At the instigation of the Guises &

Catherine de Medici, the massacre of St. Bartholomew' Day, was ordered on 24 Aug. 1572, In which Coligny and thousands of other Huguenots, including children, were butchered. As the news spread through France, these massacres were repeated with utmost ferocity. The remanents of Huguenots organized a desperate resistance for the lives of their families and their faith in God. Charles IX died and was suceeded by Henry III, whose brother, the Duke of Anjou, came to the aid of the Huguenots, and the peace of 1675 was signed.

Henry, King of Navarre, became the leader of the Huguenots in 1575. On the death of Henry II, Henry of Navarre, joined the Catholic church for political reasons and gained the crown of France in 1594. On 13 Apr. 1598 he issued the Edict of Nantes, which gave religious and political freedom to the Huguenots. Henry was assinated in 1610; then the persecutions began anew, reaching the climax under Cardinal Richelieu. The last of the Huguenot strongholds, La Rochelle, fell in 1628. Some safety remained, as the Edict of Nantes was left partially in effect. Over 400 proclamations were issued to curtain Protestant rights. The revocation of the Edict of Nantes was signed 18 Oct. 1685.

The Revocation of the Edict of Nantes forbade emigration under penalty of the galleys. Huguenots were forbidden to worship God, except in the Catholic faith. All Huguenot pastors were expelled. Death was the penalty for aiding the escape of Huguenots from France and was enforced by guards at the ports and along the coast. Dragoons were quartered on all Protestant families, robbing, insulting and mistreating the families. If the dying refused to accept the Catholic religion, their bodies were subject to being drawn on the hurdles. As a result of this political blunder, a fourth of the population fled to other countries. They included a large part of professional men of the nation and gave a blow to the industrial life of France, from which it never fully recovered. Those who remained, practiced their religion in secret. Pastors returned from exile in disguise and ministered to their flocks. After the death of Louis XIV, the Huguenots began gradually regaining their liberties.

In 1625 an Arnauld was in command of Ft. St. Louis at La Rochelle and La Chappeliere was pastor of the Huguenot congregation in this city. Jointly they frustrated a plot to deliver the city to the Catholic forces. (HH, p. 24)

The Huguenot reformation was especially strong in southeastern France in the provinces of Languedoc. Nimes and Uzes were two of the chief Huguenot towns. There were Chapeliers in both Nimes and Uzes (HDU & THSL, v. 39, #2238). The first records of our immediate family are to be found in the Hist. of the Diocese of Uzes, p. 230: in which a Chapelier son of Bagnals, near Uzes was among the 238 refugees escaping from the diocese of Uzes. From the records for the French Church of Threadneedle St., London, we learn that our ancestor, Dr. Isaac Chapelier, son of Pastor Louis Chapelier came from Uzes.

I am including the records of all the Chapeliers in London at this time, although most of them are not of our immediate family. I suspect they are related, hence Isaac's fleeing to London.

Some of the family remained in France. In the correspondence of Jaques Serres (THSL) on 6 Mar. 1750, while in lower Languedoc, in the vicinity of Montpelier, the Huguenots were condemned and fined. Those at Nimes had paid 2442 livre each. Those at Uzes had just paid another 3400 livre. Three young men of the last diocese were arrested for assembling in the last half of July and were condemned to the galleys for life, on 17 Jan. by M. La Nain, the official of the Generality of Montpelier....One age 36 named Andre Bernard, the second aged 28 years named Henri Martel and the third 26 years Estienne Chappelier. They went to the galleys on 22 Jan., but I have not gotten their numbers.

Shortly after World War II, Mrs. Mary Chappelear Evans of Akron, O. sent a CARE package "To any Chapelier" at Uzes, France. It was given to a family of Capelier, and a correspondence began. In one of the letters V. J. Capelier writes:

"I will give you the information about our family which was told to me by my Dad. There was a family named Capelier back as far as the year 1600. At this date there was also a man named Chapel at Uzes. Then came the Revolution and it was said at Nantes that they were sent to foreign lands. (The Capeliers and Mr. Chapel). A branch of our family was later found in Florac and St. Jean du Gard, a small village in the state of Haut Languedoc in about 1760. At this date our name was still Chapelier. After the revolution my family was ruined by the Aristrocrats. Later my ancestors were found owners of farmland at Soudorges, a small community in Langedocienne in the Cevennes, as we call it. (The neck of Mercon). Then all this farmland was sold and my ancestors came to live in the same region of Monoblet in 1795. My family has always been Protestant, as far back as we know. All died at a very late age. My grandfather (Louis) died at 82, my great-grandfather (Francois) died at 85 and his father at 92. All had the names of Louis or Francois. You can see that the family dates back as far as I told you-1700, the birthdate of my great great grandfather. All of their farmland was purchased from the state."

"This is all that I know of my family, which was told to my Dad by my grandfather. My grandfather was mayor for thirty years in a small town."

"Now Dad and I are the only ones left in the family."

V. J. Capelier

Geneva was the seat of Protestantism. It spread from there down through the French Alps into Languedoc. This region was Savoy. In 1601 the parts of the duchy of Savoy composed of Bugey, Bresse and the Pays de Gex were ceded to France. (CE) In Mesoril's "Armorial Historique de Bresse et Bugey" under the CHAPPELLIER coat of arms he states: "A register of the Chamber of Compte de Chambery (Cech. de la Citi d'Or B. 548, fol. 1222) states that in a letter of the nobility at Gex on 13 Oct. 1589 the Duke of Savoy, Charles Emmanuel gave a coat of arms in favor of Jean Chappellier, of Chatillion-les-Dombes, page of Messire de Alimes, ambassador of the Coer of France. This coat of arms is composed of six bands of silver and green shield with the key above containing two palm branches in a crossed ornamental position. The crest is a coiled serpent in the foreground with an ornament of green palm leaves. The motto is "Rerum prudentia victrix", which translated means Victory through prudence. Therefore it would appear that Jean Chappellier preformed some outstanding diplomatic negotiation, while serving as a page for the Duke of Savoy. You will note that on the map Gex is nearby Geneva, and the other towns string out through the French Alps in a southeasterly direction toward Bagnals on the Rhone and Uzes. Therefore it would appear that our ancestors moved in this direction. Although I have written to three places in France I was unable to find the data that would enable us to prove positively that we are decendants of the above Jean Chappellier; although it would appear highly possible for this to be the case.

Jean Chappelier, squire of the Massonniere married 6 July 1603 Olive de Fetane, daughter of Aynard de Fetane, squire. They had a son, Eleazar, squire, page of Fetane and of Vachet, sergeant major for the king of the village of Pradines. (AHBB)"

In 1759 a Chapelier family in Brittany was awarded a coat of arms, consisting of a key of blue and silver stripes and three silver diamonds on a blue background. Some members of the Chappelearsin America have used this as their family crest, not knowing that it was not granted until thirty odd years after our ancestor came to America and nearly seventy years after they left their homeland-France. Brittany is also at the opposite end of France from the southeastern area where our people resided and continued to reside even down to the present time.

The first proven records of our immediate family are to be found in the Transactions of the Huguenot Society of London. From there we learn that the Rev. Louis Chapelier and his wife, Simmone Rous, had a son, Isaac, born in Uzes, Languedoc, France in 1672 (v. 16, p. 34; v. 21-2, p. 49)

FIRST GENERATION

1. REV. LOUIS CHAPELIER, French Protestant pastor of Uzes and Bagnals in Languedoc, France mar. Simmone Rous. After the Revocation of the Edict of Nantes their fate is unknown; possibly they were among the martyrs. They are known to have had a son, who was born in Uzes, but lived in Bagnals at the time of his excape to London (TSHL v. 21-2, p. 49; v. 16, p. 34; HDU p. 230). Issue:
2. Dr. Isaac Chapelier, sr., b. 1672 in Uzes, Languedoc, France.

SECOND GENERATION

2. DR. ISAAC CHAPELIER, SR., son of Rev. Louis (#1) was born 1672 at Uzes, Languedoc, France and died 1706/7 in American Waters aboard HMS Canterbury. He mar. 28 Oct. 1696 at the French Church in Threadneedle St., London, Eng. to Anne Arnaud, dau. of Elie & Magdalen (De Valau or Devallaud) Arnaud. Anne was a native of de la Tramblade, France. In Simileo's "Huguenots in England and Ireland", he states "Arnaud: a Huguenot family of noble descent, An ancestor, [1]Guillum Arnaud, baron of Barbazan in Bigarre, 1st chamberlain to Charles VII, afterwards Governor of Champagne and the Lionnais. The king

gave him title of "Chevalier sour reproache" and permitted him to take the fleur-de-lis for his arms. He was killed in 1432 and buried with highest honors. Shakespeare in Henry alludes to him as a devil that the English army opposed. A descendant of his was the Marquis de Pompone (Simon Arnaud), Secretary of State for Foreign Affairs to Louis XIV. In the 16th century a branch of the family became Huguenots and emigrated to England. The ancestor of the English Arnauds, was smuggled across the English Channel in a hamper in an open boat. His son, Elias (Anne's brother) became a thriving merchant at Portsmouth and was appointed deputy-lt, for the County of Hants."

The will of Elie Arnaud, father-in-law of Isaac Chapelier, sr. is recorded in the Prerogative Court of Canterbury, 16 Plymouth, 4 Feb. 1726. It bears the note, "Translated out of French," as follows:

"In the name of God the Father, Son and Holy Ghost, Amen. I, Elias Arnaud, knowing that nothing is more certain than death, and the uncertain hour thereof, being of sound mind, memory and understanding Do make my last will and testament in manner and form following: First, I recommend my soul to God the Father Son and Holy Ghost three persons and only one God. In regard to my temporal estate as well movable and immovables that shall be found after my death I will and intend that my wife Magdalen All and Take possession of All immediately after my decease and enjoy and dispose of them according to her discretion as she shall be advised to do all acts of justice as shall be thought proper for recovery of them and for possessing of them and also to dispose of my said goods or Estate to our children by testament or otherwise as she shall judge convenient to be received and possessed by them in such manner as he shall order. I will also that in case anyone of the heirs shall controverse the Execution of my said will he shall be excluded of any part of my said goods or Estate and shall be reduced to one shilling. My wife to be sole executrix of my last will and testament. Signed and sealed 14 September 1724.

Magdalen Devallaud Arnaud will was prob. in London P. C. C. Osham 23, and translated from the French:

Signed, sealed and published and declared by the said Magdalen for to be her last Will and Testament in presence of us who have subscribed in presence of said testatrix. Stephen Benee, Isaac Newman, Ben Bonnet."

Isaac fled from Bagnals to London, where he became a surgeon. Mr. C. G. Lart, Fellow of the Royal Historical Soc. states that Isaac Chapelier, sr. was naturalized in London May 25, 1702. And that in 1697 his name was spelled Chappelie. He was "ancien et secretaire" of the French Church of Crispin St., London." He apparently went to sea with her majesty's fleet, which was trying to capture the Spanish main through legal piracy; hence his estate being in dollars rather than pounds.

His will is filed in the Prerogative Court of Canterbury, 103 Poley: "In the name of God, Amen.

I, Isaac Chapalier, Surgeon of H. M. Ship Canterbury, being in bodily health and disposing mind and memory and considering the perils and danger of the sea and other uncertainties of this transitory life do for avoiding controversies after my decease make publish and declare this my last will and testament in manner and form following: First I give my soul to God that gave it and my body I commit to the Earth or Sea as it please God to order and as for and considering all my worldly estate I give bequeath and dispose thereof as followeth. In "Huguenot of England and Ireland" p. 117 it states: "The foreign churches Austin and Threadneedle Streets were reopened on the acession of Elizabeth. Both churches were subsequently destroyed by fire. The Threadneedle Street church was burnt during the great fire of London and afterwards rebuilt; but was demolished to make way for the Royal Exchange, when it was removed to the new French Church, St. Martins-le-Grand."

Original home of the Chappelear Family of America from before 1730, when Isaac Chapelier, Jr. lived here, to the present owner, his great, great, great, great grandson, John Augustus Chappelear.

3. ISAAC CHAPELIER, JR., son of Dr. Isaac (#2) was born London, Eng. 16 Mar. 1698 (THSL) & d. St. Marys Co., Md. Mar. 1741. He was apprenticed 24 Sept. 1711 to Elias Arnold (Elie Arnuad his uncle or grandfather) as a weaver. The Huguenots were noted for their weaving; bringing prosperity to England with their trade. (Extracts of the Court Book of the Weavers of London 1610-1730.) On 6 July 1715 Isaac served as godfather to Anne Degumain, dau. of Theophile & Anne Degunainat L'Englisle de Londres. in Threadneedle St. From the will of his grandmother, Magdalen de Vallaud Arnaud, we see that he came to St. Marys Co, Md. before Oct. 1730, as he was not named as an exor. and she particularly specified how he should receive his inheritance.

He mar. Rachael Briscoe, dau. of Samuel Briscoe, according to the chart of Briscoe family. Her sister Cassandra, married James Purvis. In Cassandra's will made in 1819 and rcd in Frederick Co., Va. she made bequeaths to all the daughters of James Chappelear and Mrs. Margaret Haynie (dau. of Elias). After Isaac's death she mar. Edward Briscoe, who was probably a cousin of hers.

In the Md. Land Office an inventory of the est. of Isaac Chapelier is shown: "A true and perfect inventory of the Goods and Chattels of Isaac Chaplear of St. Marys Co. dcd. Thomas Aisquith, Dety Com. of St. Marys Co.

Isaac & Rachael (Briscoe) Chapelier had issue:

9. (1) Elias Arnold (Arnaud) Chappelear, b. St. Marys
10. (2) James Chappelear, b. St. Marys Co., Md.

9. ELIAS ARNOLD (Arnaud) CHAPPELEAR, son of Isaac jr. (#3) was born in St. Marys Co., Md. between 1730 and 1741, as he was not mentioned in the will of his grandmother, Magdalen Arnaud and was a minor in 1743 at the settlement of his father's estate. He was named for his grandfather or uncle, to whom his father had been apprenticed. He died without will in Culpeper Co., Va. in 1796, as the last year that he paid taxes there was 1795.

In 1774 both Elias and James were assessed on the land books of St. Marys Co., Md. Elias had 292 acres in a tract known as "Underwood" or "Wood's Pleasure" on the border of Charles & St. Marys Counties. In 1783 Elias executed a bond of £ 8000 of tobacco in favor of Mary Hilton, both of St. Marys Co. The bond is in the possession of Jack Williams, a great-great-great grandson of Elias. It was witnessed by Elias' nephew, Henry Chappelear. The tax books of Culpeper Co., Va. show that in 1788 Elias began paying taxes on 100 acres of land formerly belonging to James Monroe. He paid personal taxes until 1794. In 1796 his son, Wm. paid the taxes for himself & his father, but 1797 Wm. paid for himself alone. In addition to the land he owned, he rented other land from Presley Thornton in 1791. He lived in that part of Culpeper Co., which later became Rappahannock Co., Va.

Elias was a member of All Faiths Episcopal Church, Cool Spring, Md., being mentioned in the Vestry Books for 1780-1782.

Zulieme Chappelear, who had access to family records that have since been lost, stated in her notes that Elias Chappelear married Ann Brammell, dau. of Wm. Brammell. The Chappelear Prayer Book bears the names of William Bramml and Margaret Bramml. The will of Wm. Bramil, Planter, made 3 Mar 1773 & prob. 24 Mar. 1773 in Chas. Co., Md. names wife Margaret, extrx. & mentions sons Wm. & James. No daughters are mentioned, but they were probably provided with doweries at the time of their marriage, as was the custom of the time.

I have in my possession the Prayer Book of the Church of England published in 1751 containing the births of their children. It had disappeared, but was found in a second hand bookstore by a friend of Dr. Fred Chappelear's sister-in-law. She bought it and gave it to Dr. Fred, who in turn gave it to my father; as it contained the records of our family. An exact copy follows:

"Margaret Bramml
William Bramml
Elias Chappelear
Ann Chappelear, his wife
William Bramml was born eighteen day March...
James Chappelear was born the 25th day of May 1766
Margaret Chappelear was born 29th day of May 1768
James Chappelear son of Elias Chappelear and Ann his wife was born the 25th day of May 1766
William Chappelear was born the 23rd day of June 1770
Zachariah Chappelear was born the 31st day of July 1772
Samuel Chappelear was born the 4th day of December in the year 1776
Prisa Chappelear was born the 4th day of March in the year 1779

George Chappelear was born in the year of our
Lord May 5th, 1788
William Chappelear and Honour his wife were
married December 6, 1796 and Mary Chappelear
his daughter was born September 23rd, 1797"

Thus Elias Arnold & Ann (Brammel) Chappelear had issue:

11. (1) James Chappelear b. 25 May 1766 St. Marys Co., Md.
12. (2) Margaret Chappelear b. 29 May 1768 in St. Marys Co., Md.
13. (3) Wm. Chappelear b. 23 Dec. 1770 St. Marys Co., Md.
14. (4) Zachariah Chappelear b. 31 July 1772 in St. Marys Co., Md.
15. (5) Samuel Chappelear, b. 4 Dec. 1776 in St. Marys Co., Md. & d. unmar. in Ga.
16. (6) Prisa Chappelear, b. 4 Mar. 1779 in St. Marys Co., Md. She was unmar. in 1808 Culpeper tax returns.
17. (7) George Chappelear, b. 5 May 1788 in Culpeper Co., Va.

Samuel Chappelear (#14) according to separate traditions in the Ohio & Va. branches, of the family, went to Georgia, where he died unmarried and intestate. Due to the poor means of communication at the time resulting in a lack of contact between members of the family for a long period of time, his property went to the state of Georgia.

Elias Chappelear served as a Private for 5 days during the Revolutionary War, July 21 through 27, 1776 with the 6th Bn, if St. Mary Co. Militia (Rev. Papers St. Marys Co., Md. box 6, folder 1) The Militia was called up, at the time they expected Lord Dunsmore to attack. This makes Elias' descendants eligible for the DAR.

10. **JAMES CHAPPELEAR**, son of Isaac jr. (#3) was b. St. Marys Co., Md. between 1830 and 1741 (ref. settlement of father's est. & grandmother, Magdalen Arnaud's will). He d. St. Marys Co., Md. Oct. 1808.

The earliest record of James is found in the Vestry book of All Faith Parish, St. Marys Co., Md. on 22 Sept. 1767. He was elected to the Vestry 16 Apr. 1770 and served in that capacity until 1786. In the Rent Roll for St. Marys Co. James Chapiliere is recd. as owning 272 acres in Free Stone Point and Underwood.

He mar. in St. Marys Co., Md. Elizabeth, dau. of John & Sarah (Marshall) Dent. Sarah Marshall Dent was of Marshall Hall, Chas. Co., Md. John Dent owned the Cool Spring at Charlotte Hall and 11,000 acres of land surrounding it in St. Marys Co., Md. He was a signer of The Freemen of Maryland 26 July 1775 (St. Marys Co. Rcds. #13, box 15f. 20). During the Revolutionary War the Md. rcds. at Annapolis show him applying for a licence to have a tavern at Charlotte Hall. In the U. S. Census of 1850 his great grandson, Julius Caesar Ticer, was an inn keeper there.

The will of James Chappelear is rcd. in Liber JJ, #3, f. 183 St. Marys Co., Md., as follows:

"In the name of God Amen, I, James Chappelear of St. Marys County & State of Maryland, being sick and weak in body, but sound and disposing in mind memory and understnading, considering the certainity of death and the uncertainty of the time thereof, and being desirous to settle my worldly affairs and thereby be the better prepared to leave this world when it please God to call me hence, do therefore make and publish this my last will and Testament in manner and form following, that is to say first and princepally I commit my soul in the hands of Almighty God, and my body to the earth to be decently buried at the dicretion of my Executors hereinafter named, and after my debts are paid I devise and bequeath as follows:-Item. I give and bequeath to my four daughters residing in the State of Virginia, Mary Harrison, Rebecca Dent, Cassandra Riley and Ann Chappelear, one hundred dollars each, to be paid by my Executors out of the money I have loaned. Item I give and bequeath to my two grandsons, Henry Chappelear and George Chappelear, and to my two grand daughters, Rebeckah Chappelear and Elizabeth Chappelear, my wagon gear and three horses belonging to the wagon, also my Still and Cart, which said property must be sold by my Executor and the amount of the sale and interest arising thereon to be equally divided among them, as they do respectively arrive at age, and provided either of them shall die before they arrive at age that the Survivor or Survivors shall have the same. Item-I give and bequeath to my son John Chappelear and my Grandson Thomas Edwards a negroe woman by the name of Dinah to be equally divided between them. Item. I give and bequeath to Elkanah Edwards my negro boy Bob, until he arrives at the age of twenty-one years and then to be free. Item. I give and bequeath to my Grandson Thomas Edwards one hundred dollars to be paid out of the claim which I have against Elkanah Edwards, Executor of Nathan Chappelear. I give and bequeath to my son Henry Chappelear residing in the State of Georgia forty dollars to be paid out of the claim which I have against Elkanah Edwards. Item. I give and bequeath the rest and residue of my estate to be equally divided among my two sons: John Chappelear and Benjamin Chappelear and my Grandson Thomas Edwards. And lastly, I do hereby constitute and appoint my son, John Chappelear, and Elkanah Edwards to be sole Executors of this my last will and Testament, revoking and annulling all former wills by me theretofore made, ratifying and confirming this and none other to be my last will and Testament.

James Chappelear (Seal)

This will rcd. 11 Oct. 1808, St. Marys Co., Md.

Further information concerning the family of James Chappelear is found in the will of his son, Nathan, who died before his father, as did his brother, Richard Chappelear. This will recorded Liber JJ. #3, f. 157 St. Marys Co, Md. It was made 25 Oct. 1807 and rcd. 14 Nov. 1807. Abstract:

"Item, I bequeath to my father, James Chappelear, my horse and bridle, also all the right I have in a sorrel horse, wagon and still, and one hundred dollars cash of this, provided he will pay to my brother, Henry Chappelear, seventy-one dollars due him on my brother, Richard Chappelear's estate. I also give my executor hereinafter named the improved lot I have at the Cool Springs for it to be rented out and the interest to be paid to my father every year during his life and after his decease I give to my sister, Elizabeth Edwards, the above mentioned lot, to her and her heirs.

Item: I give to my sister, Elizabeth Edwards, $150 cash. Item: I give to my sister Rebecca Dent, wife of Thomas Dent, $30 which her husband has in hand. Also, my will is that all the residue of my estate after my just and lawful debts are paid by my executor be equally divided between John Chappelear; Banjamin Chappelear; Elizabeth Edwards, wife of Elkanah; Rebecca Dent, wife of Thomas; Cassandra Riley, wife of James Riley; Mary Harrison, wife of Joseph Harrison; and Henry Chappelear. I appoint Elkanah Edwards my sole executor.

Nathan Chappelear (Seal)

Witnesses: Samuel Murphy, Richard D. Edwards

From the foregoing it is evident that James and Elizabeth (Dent) Chappelear had ten children: born in St. Marys Co., Md., who reached maturity:

18. (1) Henry Chappelear, b. 1760 (C)
19. (2) John Chappelear, b. 1765/74 (C)
20. (3) Benjamin Chappelear, b. 1765/74 (C)
21. (4) Mary Chappelear, b. 1770/80 (C)
22. (5) Richard Chappelear, b. 1774/84 and died single before 1806 (Nathan's Will) (C)
23. (6) Nathan Chappelear, b. 1774/84 died Nov. 1807 unmarried (Will St. Mary Co., Md. Md. Liber JJ, #3, f157.) (C)

25. (8) Rebecca Chappelear, b. 1776/84. (C)
26. (9) Cassandra Chappelear, b. 1776/84 (C)
27. (10) Ann Chappelear, b. 1784/90 (C)

FIFTH GENERATION

11. JAMES CHAPPELEAR, son of Elias (#9) & Anne (Brammel) Chappelear, was born 25 May 1766 in St. Marys Co., Md. He moved with his father to Culpeper Co., Va. about 1781-5, where he signed a petition for the formation of a new county. In 1803 he rented a tract of land in Culpeper Co., from his brother, Wm. In 1788 he paid taxes on personal property there, which continued until 1819; when he move to Morgan Co., O. settling on Sunday Creek not far from Zanesville.

He mar. Margaret Cooke, dau. of Alexander Cooke of St. Marys Co., Md., a copy of whose will is on file in the Culpeper Co. Will Book F, p. 313 proved 24 Oct. 1811, "in re" the right of James Chappelear to remove certain slaves from Md. to Va. An abstract of the will follows:

"Item. I give and bequeath unto the children of my daughter, Margaret Chappelear, one negro woman named Linder and one negro girl named Mary and their increase to them and their heirs forever to be equally divided among the children of my said Daughter Margaret Chappelear, but my will is that my said Daughter shall have the use of the said negroes Linder and Mary during her natural life, but by no means for them to be at the disposal of her husband James Chappelear."

In the testimony that the foregoing is a true extract taken from the Last Will & Testament of Alexander Cooke, late of St. Marys Co., Md., decd. Which Will was on the 14th day of April 1807, proved, approved & recorded in my office. I have set my name & official Seal this 24th October 1811.

James Forrest, Reg. of Wills

There are petitions #5462-A & #8495 in the Archives Dept. of the Va. State Library dated 14 Dec. 1809 from James Chappelear, Culpeper Co., Va. to the Assembly to permit these slaves to be brought out of the state of Md. into Va. Alex. Cooke's will was made 14 Apr. 1809. There seems to be some question in the courts of Md. & Va. over the right of James Chappelear to remove the negroes from Md. to Va.

In the Culpeper Co., Va. census for 1810 James & Margaret are over 45, one son aged 16-25, 1 son 10-16, 2 sons under 10 & a dau. 26-45, 1 dau. 16-26. The elder girl was not a daughter, as she was also living with them in the 1800 census, along with 2 slaves, his parents and another female over 45. Mrs. Ann Brammel (Chappelear) Parker, James' niece in a genealogy that she wrote in 1903 states"James Chappelear moved to Sunday Creek, Morgan Co., O., not far from Zanesville. He had 5 sons & a dau: William, John, Charles, George, Elliott and Annie." In Robertson's "Morgan Co., O. History" 1886, p. 496 it states: "James Chappelear & wife nee Margaret Cook came from Loudoun Co., Va. (error-Culppeper) to Zanesville in 1819 & in Oct. 1820 settled in Union Township. Issue: Wm. A., John, Chas., Geo., Elliott & Ann (Dorris) all decd. except Elliott, who lives in Licking Co." From later census records I run into a problem. I find no trace of either James' son, George or Zachariah's son Samuel; but I do find Henderson born 1802/3 who married Lucinda M. born 1802 and a Benj. born 1803/4, who mar. Lydia born 1806/7. My great-grandfather, Benj. Garner Chappelear, was living in Fauquier Co., Va.

raising a large family at this time, although he was born in 1803 and had taught school in Ohio for a short time. As James had a grandson, Henderson, and both he and Zachariah, according to early census records each had only three sons in this age group; it would appear that Geo. & Henderson are probably the same person. James & Margaret's children were born in Culpeper Co., Va.:

28. Wm. A. Chappelear born 1789. (C)
29. Annie Chappelear, born 1790, who married Mr. Dorris. (HMC) (C)
30. John C. Chappelear, born 1796. (C)
31. George Chappelear, born 1802/3 (C)
32. Charles C. Chappelear, born 1805. (C)
33. Aylette Wood Chappelear, b. 11 Feb. 1812
34. dau. born 1790/1800, who evidently died young.

12. MARGARET CHAPPELEAR, dau. of Elias Arnold (#9) & Ann (Brammel) Chappelear was born 29 May 1768 in St. Marys Co., Md. and died in Warren Co., Va. Nov. 1848, as her estate, consisting of 2 slaves Caroline and Lucy as appraised in Warren Co. Will Book A, p. 450. Her father move to Culpeper Co., Va., which later became Rappahannock Co., Va. after the Rev. War. She mar. in Culpeper Co., Va. (Lic) 26 Dec. 1789 Thomas Haynie. In the Culpeper Co., Va. Deed Book C,p. 332 he gave life interest in several negro slaves to his mother-in-law:

To all to whom these presents shall come greeting:-Know ye that I, Thomas Haynie, of the County of Culpeper & Commonwealth of Virginia have for sundry Causes and Considerations given up unto

The possession of Ann Chappelear of the aforesaid County and Commonwealth, the following negroes: Phoebe, Bob, Sandy and Hannah for and during her natural life to enjoy them and their increase quietly and peaceably as aforesaid but the aforesaid negroes and their increase are not to be accountable for any debts she may contract or may have contract nor is she at liberty to sell any of them or their increase.

Now the true intent and meaning of this Writing is that at the decease of the aforesaid Ann Chappelear, --the aforesaid negroes: Phoebe, Bob, Sandy and Hannah and their increase are to be equally divided between Thomas Haynie, William, James, Samuel, Zachariah, Prisy, and George Chappelear, Children of Ann Chappelear, or their legal representatives.

In witness whereof I have hereunto set my hand and seal this seventh day of March, one thousand eight hundred and eight,

Thomas Haynie (L. S.)

Signed in the presence of:
Henry Settle
Henry Settle, jr.
Rueben Settle

"At a Court held for Culpeper County the 19th Sept., 1808, this Deed of Gift from Thomas Haynie to Ann Chappelear was proved by the oaths of Rueben Settle and Henry Settle, jr. two of the Witnesses thereunto and ordered to be recorded.

Teste: James Jameson, Clerk"

These were evidently the slaves that Ann's children inherited from their grandfather, Wm. Brammel. The witnesses were Zachariah's father-in-law and brothers-in-law.

Thomas Haynie probably comes from the Haynie family of Norther Neck. He paid personal property taxes in Culpeper Co. in 1811-15 & 1801. Then he seems to have moved to the part of Shenandoah Co. that later became Warren Co., Va., as his daughters: Frances, Catherine P. & Elizabeth were all married with Shenandoah Co. Mar. Lic. Their son George S. and daughter, Ann Brammel, are mentioned in several deeds in Warren Co. after its formation. He apparently died before 1840, b. 1765/84.

Will Book A, p. 450 Appraisement of Margret Haynie's estate ordered 25 Nov. 1848 appraised by Philip A. Machlen, James L. Miller, Geo. N. Brinder & Samuel Kendrick. Appraised 25 Dec. 1848 as consisting of black woman named Caroline & 1 negro child named Lucy. Caroline appraised at $500 & Lucy $100. Rcd. 15 June 1849. In Frederick Co., Va. Deed Book 78, p. 391 on 26 Oct. 1850 slaves from the estate of Margaret Haynie, decd., were sold by Geo. S. Haynie & John E. Penman to settle debts; one of which was to Elizabeth Frazier, with whom Margaret was staying in the 1840 Warren Co. census.

In the U. S. Census for Culpeper Co. 1810 Thos. & Margaret Haynie had 1 son 16-25, 1 son 10-15, 2 sons under 10, 1 dau. 16-25, 2 daus. 10-15, 3 daus. under 10. Unfortunately I have been unable to find much about them or their descendants. Their children born in Culpeper Co. were:

35. son, born 1785/94.
36. Catherine P. Haynie, born 1790/1810.
37. Frances Haynie
38. Anne Brammel Haynie
39. Elizabeth Haynie born 1790/1800.

40. son
41. dau.
42. son
43. son
44. dau. (possibly Mary Haynie, who died unmar.)

13. **WILLIAM CHAPPELEAR**, son of Elias (#9) & Ann (Brammel) Chappelear was born 23 June 1770 in St. Marys Co., Md. & died in Culpeper Co., Va. 22 Dec. 1850, being buried beside his wife in the cemetary at their home about two miles from Flint Hill in Rappahannock Co, Va.

He appears to have first moved to Fauquier Co., Va. He stated in his Bible that he moved to Culpeper Co. 26 Dec. 1804; although he paid taxes on land in Culpeper before that time. The section where he lived was later cut off from Culpeper Co. to form Rappahannock Co., Va. On 13 Oct. 1803 he rented his land in Culpeper Co. to his brother, James until 25 Dec. 1804 for-℔700tobacco. In 1792 Wm. began paying taxes on 12 acres of land formerly belonging to John Thomas. In 1792 he paid on 106 acres, formerly of James Foygens. In 1817 Wm. Chappelear bought 337 acres of Wm. Norman on Crooked Run. He owned land on the north side of Hickman Creek. In 1814 he was living near Flint Hill at Gaines Cross Roads. In 1794 Wm. paid personal tax for himself and his father. In Culpeper Deed Book O, p. 142 on 1 Feb. 1822 William Garner of Culpeper was to recieve payment of $1200 to Wm. Chappelear by note dated 1 Feb. 1821 & $1 paid by Zachariah Chappelear, having sold unto said Zachary negroes: Pompey, Mary, Polly, Jacob, Johnson, 1 horse, saddle & bridle, chest of tools & interest on my decd. father's & mother's estate, real & personal. 14 Sept. 1822.

According to his Bible, Wm. Chappelear married Honour Garner 6 Dec. 1796. Zulieme Chappelear stated in her notes that she was the dau. of Benj. & Diana (Strumat) Garner. She was born 17 Aug. 1771. Mrs. Mary E. Miller, her granddaughter, said: "My grandmother never liked her name and would not let any of her children be named for her." This explains why she is listed as Honora, Ann, Mary & Nancy in various places; as she apparently seems to have gone under whatever given name that suited her fancy at each particular time. In the Fauquier Co. mar. lic. she is listed as Nancy, but in the family Bible as Honour. In the settlement of her estate she is listed as Ann and Mary. The family Bible in the possession of Wm. C. Browning shows:

"William Chappelear removed to Culpeper December 26, yr. 1804
William Chappelear removed to Fauquier in the year of our Lord December 22 ....
Mariah Chappelear was born April 7, 1800.
William Chappelear died in the year of our Lord December 22 ....
Benjamin G. Chappelear was born January 22, 1803.
William Chappelear was born June 29, 1770.
Honora Chappelear, his wife, was born August 17, 1771.
William Chappelear and Honour, his wife, were married the yr. December 6, 1796.
Mary Chappelear, his daughter, was born September 23, 1797.
Elizabeth Chappelear was born yr. September 10, 1806.
John Chappelear was born August 29, yr. 1808.
Armistead Chappelear was born July 18, 1810.

Elias and Ann Chappelear were born March 22,
1811"

Some old silver spoons in the possession of the Jos. Williams family, that had belonged to Honour Garner, are marked with the initials WPCG." Honour was slender in size, kind & pleasant in disposition, and had a talent for medicine. She was such a good physician that her neighbors came to her for treatment. Her grandchildren remembered the immaculate house that she kept, her neat little cap and apron & the quick little way in which she went about her household duties. Her son-in-law paid the taxes for her after the death of her husband, Wm. She lived to be over eighty.

William's first home was on Firey Run, near Hume, in Fauquier Co. Later he moved to Rappahannock Co. on a farm about two miles from Flint Hill, where he and Honour are buried. He was said to be fond of the good things in life. He was a man of unusual ability, accumulating an estate worth $25,000 at that time. Family tradition had it that he was very hospitable, a liberal spender with a gay disposition. His will follows:

"I, William Chappelear, of the County of Rappahannock and State of Virginia, do make my last will and testament in manner and form following:

First:-It is my will and desire that my just debts and funeral expenses be paid as soon after my death as practicable.

Secondly.-I give to my beloved wife, Anne Chappelear, the farm upon which I now reside supposed to contain 250 acres together with such farming utensils, horses and other stock, household and kitchen furniture, as she may think proper to select, the same to be enjoyed by her during her natural life and at her death the same to be divided among my following children in manner following:

To my daughter, Mary Welch, 1/9 part during her natural life, the same to her daughter, Anne Best, and the heirs of her body forever. The residue of the estate to be given to my wife, Anne Chappelear, for life and to be divided among my following children as follows: To my son Benjamin & his heirs 1/4 part; to my daughter, Mary Palmer 1/4 part; to my son Elias Chappelear, 1/4 part; the same to be enjoyed by them and their heirs forever; to my daughter Anne Reager, and my son-in-law, Henry Reager, 1/4 part, the same to be enjoyed by them during their natural lives and at the death of my said daughter, Nancy Reager, die without an heir of her body, in that event the same to be divided among my above named children in such proportions as above named, so that my daughter, Elizabeth De Latourandais, shall receive an equal share with my son Benjamin, my daughter Maria Palmer, and my son Elias Chappelear, my daughter Mary Welch, to receive 1/4 share during her natural life and at her death the same to go to her daughter, Anne Best, and her heirs. But I desire to be expressly understood that my daughter, Elizabeth De Latourandais and her heirs is not to receive any part of the portion of the estate herein given to my wife, Anne Chappelear, except that part given to my daughter, Nancy Reager, die without an heir of her body, for reason that I have given her in another way a full share of my estate both real and personal.

Thirdly. -It is my will and desire that the residue of my estate both real and personal be divided among my children as follows. -To my daughter, Mary Welch, 1/9 part during her natural life & at her death the same to go to her daughter, Anne Best, and the heirs of her body forever. To my son, Benjamin 1/4 part. To my daughter, Maria Palmer, 1/4 part. To my son, Elias Chappelear, 1/4 part to be enjoyed by them and their heirs forever. To my daughter, Nancy Reager, and my son-in-law, Henry Reager, 1/4 part the same to be divided among the following children in equal shares to wit, my son Benjamin, my son, Elias, my daughter, Maria Palmer, my daughter• Elizabeth De Latourandais. My daughter, Mary Welch to receive a half a share, to go to her daughter, Anne Best, and her heirs **forever.** It is my desire to be expressly understood that my daughter, Mary Welch, is to entitled to only a half share for reasons that I have heretofore advanced to her daughter, Anne Best, a full 1/2 share of my estate, both real and personal, before the date of this my last will.

Fourthly. -I charge my daughter, Maria Palmer, with the sum of $253; my son, Benjamin, with the sum of $363; my daughter, Mary Welch, with the sum of #132; my son, Elias Chappelear, with the sum of $642.85; my daughter, Nancy Reager, with the sum of $961.13.

Fifthly. --and lastly. -It is my will and desire that my executors here-in-after named pay to my daughter, Elizabeth De Latourandais, for her sole and separate use the sum of $450, $250 of which is to be laid out for the building of her dwelling house to be erected on the land set apart by a trust deed my son, Benjamin Chappelear, for her sole and separate use, the balance of the $400 to be paid to her by my executor as before directed. I hereby constitute and appoint my son, Benjamin Chappelear, my executor to this my last will and testament, hereby revoking all former wills made heretofore by me. In testimony whereof I have hereunto set my hand and seal this 17th day of June, 1846.

This will was rcd. by Benj. Chappelear in the Circuit Court of Rappahannock Co. 25 Sept. 1851 with bond for $25,000. The division of land ordered by the court showed that Wm. Chappelear owned 477 1/2 acres of land and 21 slaves (Will Book A, p. 47.)

William and Horour (Anne) Chappelear had issue, as shown by his Bible:

44. Mary Chappelear, born 23 Sept. 1797.
45. Mariah Chappelear, Born 7 April 1800.
46. Benjamin Garner Chappelear, b. 22 Jan. 1803.
47. Elizabeth Chappelear, born 10 Sept. 1806.
48. John Chappelear, born 29 Aug. 1808.
49. Armistead Chappelear, born 18 July 1810
50. Elias Chappelear, twin, born 22 Mar. 1814.
51. Nancy Chappelear, twin, born 22 Mar. 1814.

14. ZACHARIAH CHAPPELEAR, son of Elias Arnold (#9) & Ann (Brammel) Chappelear was born in St. Marys Co., Md. 31 July 1772 & died in Perry Co., O. in 1838. In 1792 he began to pay a personal tax in Culpeper Co., Va. On 12 Nov. 1791 he was one of the signers of a petition for the formation of Rappahannock Co., Va. In 1791 he served an apprenticeship in Loudoun Co., Va. He continued the payment of taxes in Culpeper Co. through 1830. Then he moved Somerset, Perry Co., O., where he died. In 1799 he leased land in Culpeper Co. from John Miner.

The Culpeper Co., Ba. Lic. shows he mar. 8 Aug. 1799 Linney Settle, dau. of Henry Settle, sr. Her father and brothers: Henry jr. & Rueben on 19 Sept. 1808 wit. deed conveying to Ann Chappelear, the use of the slaves that Ann's children inherited from her father, Wm. Brammel. The Settles were an old and respected family of the northern part of Va. On 7 Aug. 1812 Henry Settle of Culpeper Co., Ba. leased to Zachariah Chappelear for a period of 99 years beginning in 1773, at about the time of Zachariah's birth; being the land on which the said Henry Settle resided. I imagine this was an inducement to keep Linney & Zachariah from moving west, as well as a way of protecting the interest of Zachariah's children in the property. "...mesuage where he now lives being a part of the old lease given by Presley Thornton to Charles Haynie...." It was proved in Court 22 June 1819 by Landy Waters & W. L. Duke, two of the witnesses thereto. The description in the lease of this land establishes that it adjoined the land acquired by Henry Settle in 1808 from the estate of Abraham Murphy. Linney's mother was Ann (Peach) formerly of Prince George Co. according to Col. W. E. Reese, 1602 Lakeview Rd., Clearwater, Fla., who is writing a genealogy of the Settle family. (D. B. 9, p. 402-4 King Geo. Co., Va. Linney was born about 1744 & died in Perry Co., O. after 1838.

Mrs. Ann Brammell (Chappelear) Parker, niece of Zachariah gave Zachariah's granddaughter, Mrs. Mollie (Chappelear) Ross a genealogical sketch of the Ohio branches of the family. Mrs. Ross writing in 1918 said:

"Zachariah Chappelear was my grandfather & must have lived at Somerset, the home of Phil Sheridan, when my father was quite young, as he told us during the Civil War of having known and played with Phil there. There were five sons and three daughters. His son--who had a son, Thomas Henry, for whom your father was named (father of Samuel Chappelear)--and who went to Texas long before the family move to Ohio. Hedgeman, who had two sons, Josephus and Thomas. At one time, when we were children, we lived at Sunday Creek, where Uncle Hedgeman lived. Grandmother lived with him and died while we lived there. Then there was Samuel, of whom I know nothing. My father, Wm. Woods Chappelear, was the youngest child, petted and spoiled, my sisters told me. There were three daughters: Elizabeth Dodd, Nancy Grey and Catherine, who never married--all born in Virginia-I suppose at Flint Hill, as my father was on March 13, 1818. Just here, I will say that about fifteen years ago Aunt Allie received a blank from a land agent at Springfield, Missouri, in reference to a Civil War warrant taken up by a Thomas Chappelear. I wrote to my cousin about it but had no reply. I did not remember that Uncle Hanson's son's name was Thomas."

Will of Zachariah Chappelear, rcd. Perry Co.,

"I, Zachariah Chappelear of the County of Perry and State of Ohio, do make and publish this my last will and testament.

Item First--I do hereby devise and give unto my beloved wife, Linney Chappelear, during her natural life, all my land situated in said Perry County.

Item--Second--I also bequeath unto the said Linney Chappelear all my personal property during her natural life.

Item Third--I also devise and bequeath that after the death of my said wife Linney the aforesaid land and personal property shall be equally divided between my daughters, Nancy Chappelear and Catherine Chappelear, and their heirs in fee simple.

And lastly, I hereby appoint Hedgeman B. Chappelear executor of this my last will and testament.

Signed and sealed this 23 day of August 1838.

According to the Culpeper Co., Va. census of 1810 Zachariah and Linney were 26-44, and had 1 son 10-16, and 3 sons & 1 dau: under 10. In the 1820 census they were over 45 and had 2 sons 16-25, one of whom was 16-17, 2 sons & 1 dau. 10-15, & 1 son & 1 dau. under 10. As I have found in the 1850 census a Benj. born 1803/4 and no Samuel, I am assuming that they are the same person; in order to make the data come out even. On this assumption and the census records and early genealogical letter Linney & Zachariah had issue born near Flint Hill, Culpeper Co., Va.:

52. Henry A. Chappelear, born 1800 or 1799.

53. Elizabeth Chappelear, b. 1802/3.
54. Hanson Brammel Chappelear, b. 1803.
55. Samuel Benjamin Chappelear, b. 1803/4.
56. Hedgeman B. Chappelear, b. 18 Sept. 1805.
57. Nancy Chappelear, b. 1805/10.
58. Catherine Chappelear, b. 1818. She never married and was living with her sister, Mrs. Elizabeth (Chappelear) Dodd Snidiker in Reading Twp., Perry Co., O., in 1840.
58a. William Woods Chappelear, b. 13 Mar. 1818.

17. GEORGE BRAMMEL CHAPPELEAR, son of Elias (#9) & Ann (Brammel) Chappelear was born in Culpeper Co., Va. 5 May 1788. & died in New Lexington, Perry Co., O. 2 July 1857.

He served as a Private in the War of 1812. His record at the War Dept:

George Chappelear, Pvt., 1st (Crutchfield's) Va. Mil., appears on a muster roll of a company of riflemen of 1 Regt. Va. Militia, under command of Capt. Charles Shackleford of the Co. of Culpeper, 34th Reg. (War of 1812) for Aug. 11 to Nov. 5, 1814, with remark: 'Absent, sick on furlough.' Bourne as pvt. Capt. Charles Shackleford's Co. of Riflemen 1 Regt. of Va. Militia for Nov. 5 to Dec. 17, 1814. Roll dated Fredericksburg, Dec. 17, 1814."

The 1812 Pension List W.O. 1227, W.C. 330 states that Geo. Chappelear received bounty land.

Geo. came to New Lexington, Perry Co., O. in the 1820s. He was a tavern keeper. In the History of Perry Co., he is mentioned as one of the early settlers in New Lexington.

He was married at Gaines Cross Roads, Culpeper Co., Va. 1 Feb. 1814 to Susan Jones. She was born in Culpeper Co., Va. 28 April 1791 & died 27 Mar. 1880 at New Lexington, Perry Co., O. (Pension Files & Family Bible)

George Chappelear wrote the following letter to his nephew, "John Chappelear, Gaines' X Roads, Rappahannock Co., Va.

Somerset, May 14th, 1837

Dear Nephew.--I received your letter the other day. It gave us much pleasure to hear from all and hear you were all well. We are all well except myself. I had a very severe attack with a pain in my head. The doctor said it was a kind of fever. It came from a cold. Tho I am much better as to my leg, it will never be well again. It is the one I cut several years ago in the field with a scythe."

"Zachary and family are well except Linney. She is very low, always complaining. I heard from brothers, James and William the other day. They were all well. We had a very backward spring. It has been cold and dry, tho wheat in general looks very well. Things have been high, tho they are on the decline. Wheat is $1.00, Rye .50 to 62 1/2. Bacon 8 to 10. Corn .50. You mentioned in your letter that you wanted to know how cattle rated here. They are very high. I expect they sell as high here as they do with you. Hogs for two years past have been selling very high. There is vast quanity cattle drove from this country to the east. Trade is very lively here. There is always a great quanity of public works going on here of all descriptions. It gives employment to a great quanity of hands. This country improves faster than any other country in the union. You mentioned you had a notion of coming here. I would be glad to see you here. It would take you a little while to come here. You would be well pleased with the country. If Benjamin were to come here, he would scarcely know the country. It is so improved and altered, it does not look the same as it did when he was here."

"I want you to write after harvest and let me know how your crops are and let me know how Benjamin, Elias, Armistead, Polly, Mariah and Nancy all are. I wish to be remembered to them all and to your father and mother. I should be very glad to see you all again. I should be very glad if you come out here. It would not take you too long to come nor it would not cost too much. Don't fail to write directly after harvest and let me know all recent occurrences and how you all are. Nothing more at present but hoping this will find you all in good health and in full prosperity."

"I remain your ever uncle and well wisher until death."

This letter carried no envelope nor stamp. The pages are folded, addressed in the back, and sealed with wax. Postage was marked 25¢.

George and Susan Chappelear's children were all born in Virginia, according to his grandson, Samuel Chappelear. The six were:

59. Sally Chappelear, born 2 Nov. 1814.
60. Henderson Samuel Chappelear, b. 2 July 1817.
61. Wm. Arthur Chappelear, b. 21 May 1819.
62. Ann Brammell Chappelear, b. 8 May 1821.
63. Juliet Catherine Chappelear, b. 16 Aug. 1823.
64. John Washington Chappelear, b. 23 Jan. 1827.

18. HENRY CHAPPELEAR, son of James (#10) & Elizabeth (Dent) Chappelear was born in St. Marys Co., Md. in 1760 and died in Franklin Co., Ga. in 1831, leaving no will, but a settlement of his estate was made 19 Oct. 1831, in which his youngest son, James Henry Chappelear, acted as exor. & his dau. Eliza D. Chappelear & her husband, M. A. Franks received $150. In 1832 Cassandra P. Chappelear& her husband Alfred Smith got $150 & 11 Mar. 1832 Wm. Whitworth & wife, Dorothy C. Chappelear received $150. On 14 May 1839 his son, Benj. F. &

dau., Margaret with her husband, Murdock McDuffee; dau. Mary & her husband John Conners; dau. Nhina & her husband, Thos. Carnes, each received $180.

The first mention of Henry was when he witnessed the bond of his uncle, Elias Chappelear, in St. Marys Co., Md. in 1783. He is listed in the Census of St. Marys Co., Md. in 1790, although he had bought land in Franklin Co., Ga. Deed Book 1, p. 216 in 1787 from Malachi Jones. p. 251 he wit. will of Thos. Woodward 16 Mar. 1800. Vol. 1, p. 264 he went security for Thos. P. Carneson a promisary note to John Bostwick at Louisville in the case of John McIntosh vs. Thos. P. Carnes. Deed Book 1, p. 280 in 1801 he sold land to Edmund Henley. He went the surity for Carnes 13 Dec. 1799. He is listed in the Franklin Co., Ga. Census through 1830.

He mar. in Md. a Miss Carnes. She was born in Md. 1770/9 and died in Franklin Co., Ga. 1840/9. She was evidently related to the Carnes family, who went to Ga. from Md. and for whom, Carnesville, the county seat of Franklin Co. is named. In the 1827 Land Lottery of Ga., 3 of his children received lots: Ann P. Chappelear, idiot #217, Dist. 5, Sect. 5; Thos. J. Chappelear #52, Dist. 6, Sect. 2; Richard F. Chappelear #520, Dist. 281, Sect. 1. They were all living in Waters Sect. of Franklin Co. at the time. Ann's lot was in the 5th dist. of Carroll Co., Ga., being granted to her 3 Nov. 1841. In the 1805 Lottery, Henry Chappelear, was the only one living in Franklin Co., who was eligible. He received two draws, but drew blanks. From the lottery and settlement of his estate we see that Henry Chappelear and his wife had issue:

65. Thos. J. Chappelear, born 1790/7.
66. Mary Chappelear, born 1790/7.

67. Richard F. Chappelear, born 1790/7.
68. Ann P. Chappelear, born 1790/7.
69. Benjamin Chappelear, born 1790/7.
70. Eliza (Dent) Chappelear, born 1798/9.
71. Nhina Chappelear.
72. Margaret Chappelear, born 1800/9.
73. James Henry Chappelear, born 7 Aug. 1810.
74. Cassandra (Purvis) Chappelear, b. 1811.
75. Dorothy (Carnes) Chappelear, b. 1813.

19. JOHN CHAPPELEAR, son of James (#10) & Elizabeth (Dent) Chappelear was born in St. Marys Co., Md. 1765/74 & died there April. or May 1820 in his home at Charlotte Hall. He lived at the Cool Spring, which was evidently his mother's part of her father John Dent's estate. He had a mill and possibly an inn. He seems to have been the most colorful and outstanding member of the early Maryland Chappelears. According to theVestry Minutes of All Faith's Parish, St. Marys Co., Md. he was elected to the vestry in 1804 and served until May 1813. He was reelected Feb. 1814 and was off in 1819. From 1808 on he and Elkanah Edwards, his brother-in-law were subscribers. He lent the church Ŀ600 of tobacco. The vestry frequently met at his home at the Cool Spring and apparently kept the church papers there; as on 6 June 1819 at a vestry meeting Joseph Estep and James Keech were appointed a commission to wait on Maj. John Chappelear to get a bond that he holds against Mr. Jos. Harrison & other papers that he holdeth belonging to the vestry of All Faiths Parish. On Jan. 15th they reported that they forgot to call; but on 29 April 1820, James Keech, one of the commission appointed to wait on Maj. John Chappelear reported that he had obtained from said Chappelear the bond, which he held in favor of vestry drawn by Joseph Harrison & John

Kilgour & other papers which were laid before the vestry. Evidently the rapidly approaching death of Maj. John spurred them to action.

John Chappelear served in the 45th Reg. of the Md. Militia. According to the Md. Military records Militia Appointments #2, folio 54, p. 147 he was appointed Capt. 21 Jan. 1805 & on p. 94 appointed Maj. 3 Nov. 1812 under field officers of the 45th Reg. Thus he served in the War of 1812.

St. Marys Co., Md. Mar. Lic. 5 Feb. 1798 showing him marrying Dorothy Legal. The census of 1800 & 1810 he was living alone with two slaves. She apparently disappeared shortly after her marriage. Neither myself or any Md. genealogists have ever run across the name Legal in Md. She was probably someone, who came in at the port of Benedict, got herself married; then decided to leave the area. At about this time Maj. John was involved in a trial in Charles Co., Md. for bodily assault on the person of John Acton Robey, from evidence of Michael Boarman (Aug. Term 1797).

His will was made 24 Mar. 1820 & prob. 9 May 1820. Exors. of his estate were the rector of All Faiths Parish, Rev. Neal Shaw and his double brother-in-law, Elkanah Edwards. He left a tract of about 300 acres called Trent Fork near the Cool Spring, whereon his dwelling and water mill stand, to his son and daughter: Julius Caesar Tycer & Elizabeth Dent Tycer, Children of Elizabeth Dent Tycer (St. Marys Co., Md. Will Book JJ3, folio 54). On 18 July 1820 Rev. Neale H. Shaw & Elkanah Edwards qualified as exors. in St. Marys Cty. Court, & were permitted to sell all personal property except slaves. In St. Marys Co., Md. Admin. of 1820-8, #100 admin. presente acct, including division of slaves; #132 exor. acct. again showing payments to Thos. D. Edwards' note, while Geo., Eliz., Rebecca & Henry Chappelear each receive two payments of $75; & Thos. D. Harrison $300. In 1826 Richard D. Edwards, acting as lawyer for Henry Chappelear, received $149, Thos. Dent, Admin. #225 & #226-bonds for Wm. Sothoron for balance due Julius Caesar Tycer, Alias Chappelear & Elizabeth Dent Tycer, Alias Chappelear. In his will, John had requested that Elizabeth Dent Tycer permit her children by him: Julius Caesar Tycer & Elizabeth Dent Tycer to take the surname of Chappelear, when Julius Caesar reached 21. It would appear that since cannon law did not permit remarriage, and divorce was frowned upon at this period in history; thus John was unable to marry Elizabeth Dent Tycer, due to the disappearance of his wife, Dorothy Legal. Apparently his executors: his minister, Neal Shaw, and brother-in-law, Elkanah Edwards, representing his church and family felt he was trying to rectify the situation via the will. Maj. John Chappelear & Eliz. Dent Tycer had issue:

76. Julius Caesar Tycer, b. 1 July 1812 in St. Marys Co., Md. (AFC).
77. Elizabeth Dent Tycer, b. 30 May 1818 in St. Marys Co., Md. (C), Mar. her 1st Cousin, George Chappelear (#74).

20. BENJAMIN CHAPPELEAR, son of James (#10) was born 1865/74 in St. Marys Co., Md. and died there 2 June 1819.

He mar. 9 Dec. 1797 (St. Marys Co., Md. Lic) to Mary Wood, who was born 1765/74 (C). Their children were born in St. Marys Co., Md.:

78. Henry Chappelear, b. 1798/9 (C).

79. George Chappelear, b. 22 Nov. 1800 (FB)
80. Elizabeth Chappelear, b. 1801 (C)
81. Rebecca Chappelear, b. 1804 (C), never mar. Lived with her sister, Elizabeth Cartwright, after her parent's death.

21. MARY CHAPPELEAR, dau. of Jas. (#10) was born in St. Marys Co., Md. 1765/80 (C) and died there 1840/4.

She mar. 1st, in St. Marys Co., Md. Joseph Harrison, probably son of Jos. He was born 1775/8 in St. Marys Co., Md. and died there 1820/6. (C) At the time of her father's will in 1806, they were living in Winchester, Va. Apparently they did not do too well there and returned to St. Marys Co., Md. prior to 1810 Census. He was postmaster of Charlotte Hall during the War of 1812 (MdHM, v2, p. 146). He was a member of the St. Marys Co. Militia in 1794 (St. Marys Chronicles v. 2, p. 60). He was treasurer of All Faiths Episcopal Parish; as it was found when the Vestry examined the church papers, which has been stored at Maj. John Chappelear's home at the Cool Spring, Charlotte Hall, that the bond drawn by Jos. Harrison and John Kilgour had not been fulfilled in favor of All Faiths Vestry; wherefore it was resolved that it be put to suit. Apparently Jos. and Mary were having matrimonial difficulties, as well. They were living together in the 1810 St. Marys Co. Census with: 1 son 16-25, 2 daus. 10-15, & 3 sons & a dau. under 10. In the St. Marys Census of 1820 he was living alone; while Mary had the children with her, but was using her maiden name. She was living on a farm with two dwellings, with Mr. Woodburn, her farmer occuping the second dwelling. The U. S. Census records show that Joseph and Mary,

had the following children:
82. Thomas E. Harrison born 1785/94. (C)
83. son born 1785/95. (C)
84. dau. born 1795/1800. (C)
85. dau. born 1795/1800. (C)
86. son born 1800/10. (C)
87. son born 1800/10. (C)
88. son born 1800/10. (C)
89. dau. born 1800/10. (C)

24. ELIZABETH CHAPPELEAR, dau. of James & Elizabeth (Dent) Chappelear was born in St. Marys Co., Md. 1774/5 & died there 1820/6, as she was living in the census of 1820, but her husband married her sister, Mary in 1826. Her mar. Lic. in St. Marys Co., Md. 19 Dec. 1801 to Elkanah Edwards. Elkanah was born in St. Marys Co., Md. in 1780 & died there Feb. 1856. 54. HANSON E. CHAPPELEAR, son Zachariah (#13) & Linney (Settle) Chappelear was born in Culpeper Co., Va. in 1803 & died in the Perry Co., Infirmary 1 Apr. 1884. He was a very proficient fiddler. He was a good dancer, as well as often playing for them according to his dau., Mrs. Mary Frances Bottenburg. In his late thirties he joined the Methodist Church, and as fiddling and dancing were considered sins, he gave them up. He was over six feet and rather spare, with blue eyes and brown hair. His daughter remembers him as a man with a firey temper-kind enough, but he wanted no foolishness, especially on the Sabbath. In his daughters words: "He never abused his family, but he never made much over them." About 1833 he moved to New Lexington, O., where he was the village shoemaker. Before his death he retired to a 20 acre

farm near Somerset, Ohio, where he could have a truck garden and keep two cows.

Hanson married Elizabeth Morehead, the only daughter of Charles Morehead, in Va. Her mother was a Barber and her grandmother was a Stevens, left a widow at thirty, according to her granddaughter: Mr. Frances Beall Hurd. She lived with her son Robert, who owned a pottery works. Mrs. Bottenburg says, "My mother, Elizabeth Morehead Chappelear was kind and affectionate, and a faithful member of the church. She had a great deal more business ability than her husband. She kept the family together after the death of her husband and brought them to manhood and womanhood. The support of the family came mostly from the salaries of the four oldest children. Charles taught school; Adelia was a tailoress; Elnora worked in a milinary shop; and Thomas Henry worked with his uncle, Charles Morehead. She, to, was a marvelous dancer." Hanson & Elizabeth were mar. 6 April 1829 Fauquier Co., Va. (Lic.)

I find Hanson Chappelear living alone in the 1850 census, so it appears to me, that he and his wife, must have parted company; after the children, were old enough to support the mother and the family, and by this time Elizabeth had ten children, and probably did not want any more. Hanson and Elizabeth had issue:

I have been unable to find him in any census records for Chattahoochee Co., Ga. From the 1830 census for Franklin Co., Ga., I think he must have remained there as a farmer. His wife was born 1800/09. They owned a slave. They had a son, who was probably:

197. James W. Chappelear, born 1833/4.

66. MARY (POLLY) CHAPPELEAR, dau. of Henry (#18) was born in Franklin Co., Ga. She mar. 7 Aug. 1833 John Conner (Franklin Co., Ga. Mar. Lic.). I have nothing more on them.

The land lays in Chattahoochee Co., which was created in 1854. In the census of 1830 he was living in Franklin Co., Va. with a wife 20/9 and a son under 5., & in 1840 that son was dead, but he had another son under 5. Therefore it would appear that Richard and wife had issue, born in Franklin Co., Ga:

198. son, born 1820/9, who died before 1840.
199. John Chappelear, born 1834/5.

72. MARGARET CHAPPELEAR, dau. of Henry (#18) was born in Franklin Co., Ga. 1800/9. According to the settlement of her father's estate 14 May 1839, she married Murdock McDuffee. Murdock was born 1790/1810. 1830 Franklin Co., Ga. census, shows them having:

150. JAMES PENDLETON CHAPPELEAR, son of Benj. Garner (#46) was born 11 Dec. 1933. He was manager of his father's estates. He was a Mason, and at the close of the Civil War "Tee" Edmonds, describes in her journals the Masonic Memorial Funeral for him at the old Fletcher Cem. at "Oak Spring" near Upperville, Va., now owned by Paul Mellon. In order to be close to home to manage

the estate, he enlisted as a Pvt. Co. B, 43 Bn. Va. Cavalry, and had the distinction of being the only member of the Chappelear family to have been killed in action during the Civil War, although several of the Ohio branch died of disease, contracted while serving for the Union. The 43rd Batallion was more commonly known as Mosby's Rangers, and gained fame on TV as "The Gray Ghost" an account of the action where James was killed 11 Dec. 1833 from "Mosby's Rangers" by Williamson follows:

"Mon. Feb 22, 1864-Early in the morning the command moved out on the pike and halted near Anker's Shop, about two miles below Dranesville to await the coming of the enemy. A short distance in the rear the road forked; and as it was uncertain whether the Federals would follow the pike or take the country road, Walter Whaley was sent to watch their movements. He soon came in with the intelligence that the 2nd Mass. was coming along the pike and that Maj. Frazier's party, which had camped with them at night, had left them and gone up the other road."

"Company A, with part of Co. B., under Ft. Frank Williams, were now placed along the edge of a thick pine woods in columns of fours to charge their front; Co. C, with the balance of Co. B, under Capt. Wm. Chapman, were to charge their rear; while 15 mounted men with carbines, under Mountjoy, were posted in the pines along the road about the centre of the position."

"After all arrangements had been made, Mosby said: "Men, the Yankees are coming, and it is very likely we shall have a hard fight. When you are ordered to charge, I want you to go right through them.

Reserve your fire until you get close enough to see clearly what you are shooting at and then let every shot tell."

"Very soon the Federal Cavalry was seen moving slowly down the pike; two videttes riding about 200 yards ahead of all, then the advance of about 20 men, and lastly the main body. The videttes had passed by without noticing us and coming up with our pickets, who had been placed on a hill, one of them raised his carbine and fired: then turning around and seeing our men formed along the edge of the pines, he waved his hand to his men, calling on them to charge. At this moment, Mosby blew a whistle. Then came the rattling of the carbines as they poured a volley into the advancing column."

"With Mosby at the head, Co. A and part of Co. B now charged. Co. C and the other part of Co. B now came on their flank and rear. At first, the Federals made a hot fight but, unable to stand the charge, they broke and fled in every direction, and their officers were unable to rally them. The pike and fields around were strewn with dead and wounded men and horses."

"The Federals lost 12 or 15 killed and about 26 wounded; 72 prisoners and 30 horses were captured. Capt. Manning and three lieutenants were among the prisoners."

"We had only one man killed, J. Pendleton Chappelear of Fauquier. Among our wounded was Baron von Massow, a Prussian. Young Chappelear's body was brought off. This Federal raiding party was led by Charles Binn, a deserter of our command."

James Pendleton Chappelear was unmarried.

Cook, with whom he rode in full view of the enemy the entire length of the Confederate lines. On reaching the end of the line, Gen. Cook dismounted to speak to Gen. Cobb. In a few minutes Gen. Cook was struck by a bullet, and Gen. Cobb was killed by a fragment of a shell that exploded in a tree under which he was standing. Gen. Cook gave orders to Chappelear, "Go back and tell Ransome to come forward." To do this he had to climb the hill, Marye's Heights, at the foot of which the breastworks were located and was the only Confederate in sight of the enemy.

He participated in all engagements in which the command took part, including the raid to the Ohio River and the destruction of the war stores at Oil City, Pa. His command reached Gettysburg on the last say of the battle. He was sent on an occasional scout back to Fauquier, at which time he went around to the homes of the neighborhood distributing dirty clothes, picking up parcels for the boys at camp and gleaning information while so doing; prior to the formation of Mosby's Rangers.

After the war he managed his father's estates, for which he paid off a final indebtedness of $12,000 besides repairing the ravanges of war. All the barns in Fauquier and Loudoun Counties had been destroyed, because the local inhabitants gave lodging to Mosby's Rangers. His father gave him 250 acres of the home property and he added another 225 acres. At the time of his death, he owned 477 acres of land, equipped, stocked and free of indebtedness. He was steward of the "Cool Spring Methodist Episcopal Church near Delaplane, Va., were the altar set was given by his grandchildren in his memory.
